

When You Grow Up

(singer) Are you guys ready to learn? Let's go!!

CHORUS:

(singer) What do you wanna be when you grow up?

(kids) Doctor, lawyer, president - I can make a difference

(singer) What do you want to do when you grow up?

(kids) Travel, fun and family - financial security

VERSE:

Every child has dreams
of growing up eventually
but living a grown up life
Comes with responsibility
so if you want to be sure
You'll have lots of cash to spend
Start investing while you're young
And one day you'll draw on the dividends

(kids) WOO!!

CHANT (Kids together): Winners come, Winners go!!

Learn the market Watch it grow

Follow patterns

See the trends

Just begin,

There is no end

Pick the sector

Choose the stocks

Investing early REALLY ROCKS!!!

CHORUS (like before):

(singer) What do you wanna be when you grow up?

(kids) Doctor, lawyer, president - I can make a difference

(singer) What do you want to do when you grow up?

(kids) Travel, fun and family - financial security

(singer) What do you want to be when you grow up?

(kids) School teacher, dentist, vet - I can make a difference

(singer) What do you want to do when you grow up?

(Kids) Anything that you can dream - With Financial security

YAY!
